### **Grievance, Discipline, Case, Risk, Emergency, Incident, Disability Modules.**

Experienced SAP UI5 Fiori Front-End Developer with a strong background in building and customizing user interfaces for critical business modules. Over the past five years, I have developed and maintained solutions across various modules, including Grievance, Discipline, Case, Risk, Emergency, Incident, and Disability. Skilled in understanding client requirements, designing responsive UI components, and optimizing front-end performance within the SAP ecosystem. Recent experience as a Team Leader includes managing customer calls, gathering requirements, and guiding a team in project execution.
