SUMMARY

Experienced SAP BASIS consultant with over 3 years of hands-on expertise. I have completed SAP certifications and possess a strong knowledge of Windows and Linux server scripting. Proficient in system monitoring for SAP ECC and S/4HANA, including performing HANA revisions, system conversions, and upgrades. Skilled in troubleshooting and resolving complex issues, I am a proactive communicator and collaborator, able to work effectively with cross-functional teams. I am dedicated to delivering optimized SAP solutions and ensuring seamless business operations.

EDUCATION

Manipal Institute of Technology   **Manipal, IN**

Masters of Computer Applications (MCA)   *Graduation Date: Nov 2020*

SRNMN College of Applied Science   **Shimoga, IN**

WORK EXPERIENCE

Capgemini   **Bangalore, IN**

Associate Consultant - SAP BASIS   *Jun 2021 - Present*

- The SAP S/4HANA 2020 system has been successfully upgraded to S/4HANA 2021, with pre and post-upgrade tasks diligently performed.
- The SAP ECC 6.0 system has been effectively converted to SAP S/4HANA 2022, with thorough execution of both pre and post-conversion tasks.
- The system conversion from SAP ECC 6.0 to SAP S/4HANA 2021 FPS02 (including SBX, DEV, QAS, MOCK1, MOCK2, and Production Conversion) has been meticulously carried out.
- The installation of SAP S/4HANA 2022 and SAP HANA 2.0 SPS06 Database has been successfully executed.
- The HANA Database revision from HANA 2.0 SPS05 to HANA 2.0 SPS06 has been completed.
- Proficient in conducting SAP Readiness Checks and Simplification Item assessments, along with adept implementation of SAP Notes.
- Skilled in upgrading SAP components, including Kernel and Host Agent upgrades for both Windows and Linux environments.
- Proficient in generating stack files via Maintenance Planner for both system conversion and installation processes.
- Proficient in configuring the Fiori Launchpad for the S/4HANA system.
- Proficient in configuring Ariba CIG and SLT (SAP Landscape Transformation) for seamless integration.
- Providing RFPs to clients, and facilitating SAP Conversion and Cloud sessions, such as HEC and Rise with SAP, for the SAP BASIS SME tower.
- Proficient in SAP HANA Backup and Recovery procedures, as well as in generating and maintaining both SAP Permanent and Maintenance licenses.
- Monitoring and administering the SAP system to optimize performance and minimize downtime during conversion processes.
- Installing SAP Signavio and OpenJDK 11 on the Linux server.

Testsigma Inc   **Bangalore, IN**

Solution Engineer   *Jan 2021 - Jun 2021*

- Engaging in pre-sales activities, including providing demonstrations and follow-up sessions for newly registered customers.
- Reviewing test specifications and crafting test cases in alignment with customer requirements.
- Offered technical consulting services for automating various applications and streamlining debugging processes.
- Providing support in troubleshooting and fault elimination.
- Collaborating with Engineering, Product Management, and Sales teams to address issues and offer improvement suggestions.

Gfactors   **Bangalore, IN**

Data Analyst Intern   *Jan 2020 - Sep 2020*

- Conducted descriptive analysis on reviews and social data related to companies such as Samsung, Mars, Astra, and P&G.
